## New Jersey Healthcare Specialists

Dear Patient,

The physicians of New Jersey Healthcare Specialists are proud to be the Anesthesia providers at Ramapo Valley Surgical Center. Our focus is providing you with a safe, comfortable procedure. We are certified by the American Board of Anesthesiology and use the most up to date techniques to minimize pain and other side effects normally associated with anesthesia and surgery.

We encourage you to reach out to our Billing Department with any questions or concerns you may have about your anesthesia bill before or after your procedure.
